3. Update on Hydrogen Storage Project
4. Next Meeting Date

1. SITE OPERATIONS

- Full site outage completed safely and on time.
- Aldbrough 4z rewatering, final period continues.
- Tree survey undertaken on 24th May, await report.
- Withdrawal export train outage, 8th to 22nd June.

2. ALDBROUGH HYDROGEN PATHFINDER

Project update

Community Information Session

- 3D model and photo montages shared in community information session.

Town and Country Planning Act application

- Target to submit application is 24th June 2024.

Notices for Hazardous Storage

- Three weeks prior to submitting the Town and Country Planning Act application, notices of hazardous substances at development sites must be published.
- Notices to expect:
 - Site entrance
 - Local newspaper / Electronic media

|| 3. HYDROGEN STORAGE PROJECT

Statutory Public Consultation is on schedule to start 17 June

The consultation and our proposed future DCO application are being widely publicised:

- Advertisements in national and local newspapers including Yorkshire Post, Hull Daily Mail and Hornsea & Holderness Gazette
- Flyer will be posted to about 3,000 households
- Posters will be displayed on parish notice boards and other public places
- We have sent introductory letters to residents who live near the project site to ensure people are kept up to date and informed of the project's progress going forward
- Formal letters / notices are expected to be posted out 13 June
- Site notices to be erected on unregistered land 14 June

4. NEXT MEETING DATE
