14th November 2024

# AGENDA

1. Apologies / Previous Meeting Minutes
2. CLG Representatives Individual Updates
3. GS Site Operations Update
4. Update on Hydrogen Pathfinder Project
5. Update on Hydrogen Storage Project
6. Next Meeting Date
7. AOB

# 2.INDIVIDUAL UPDATES

## 3. SITE OPERATIONS

- Business as usual

# 4. ALDBROUGH HYDROGEN PATHFINDER

## Project update

### **Town and Country Planning / Hazardous Substances Consent Application**

- Both applications validated and consultation ongoing.
- Twelve consultee comments submitted as of beginning of week – SSE in process of responding to all comments with required information.

### **Screening**

- Remainder of screening from original plans to be completed in December (see previous CLG pack for details).
- Screening gap near site entrance to be reviewed by Heritage Hedging when on site for screening work and plan to be developed for review.
- Lease agreement amendments ongoing on land where additional screening (Area 6) requested. As per previous CLG, screening plan to be reviewed following amendment to lease is complete.

# || 5. ALDBROUGH HYDROGEN STORAGE

- Archaeological site investigation should be complete by 15 November.
- Seismic Survey re-scheduled to 2025
  - New survey licences to be issued to landowners before Christmas
  - Reconnaissance surveys (on foot) January-February
  - UXO survey March-April
  - Demo Day TBC
  - Access to beach for seismic will require some work to the existing East Newton Cut
  - Seismic survey August (after harvest)

## 6. NEXT MEETING DATE

12TH DECEMBER - GARTON

### PROPOSED DATES FOR 2025:

- Thursday 13th February
- Thursday 24th April

## || 7. AOB

- Deputy Chair to be agreed
- Community investment fund update – £8993 committed to projects from the last allocation round. New application window to open in early December.
- SSE Thermal will be sitting on the Changing Coasts steering group that will start in late 2024/early 2025.

# THANK YOU
