

# Ferrybridge Hydrogen

## FEEDBACK FORM

### Have your say on our proposals

Thank you for taking the time to view the plans for our proposed Ferrybridge Hydrogen project. You can help shape our proposals by telling us what matters to you and your community. As your long-term neighbour, SSE Thermal values your time spent doing this.

This form is designed to collect feedback about our proposals which can then help to shape our plans ahead of our planning submission.

You can view the plans on our website, or by attending one of our drop in sessions below.

You can do this up until 11:59pm on Monday 10th March 2025.

### Drop in sessions near you

Please join us at one of the below drop in sessions to hear more about our plans:

- **Willow Green Academy** (Hampden Close, Knottingley) on Thursday 13th February between 2pm and 8pm.
- **Brotherton Parish Hall** on Wednesday 26th February between 2pm and 8pm.

There is no need to register attendance; please come along during these times at either date/ location to speak with a project team member, at your convenience.

If you are unable to attend an event in person, you can join our webinar which will take place on Thursday 27th February at 6pm. Registration and joining instructions can be found on our website:
